

# New Online Ordering

For all your office and business needs

Our online ordering portal spans over **100,000 products** across a variety of different services and consumables.

Although specialising in waste management consumables, through our network of suppliers we can also offer a varied products range including stationary, furniture and office products. SWS Products offers fast-track access to all of this and a lot more ensuring you save costs at the same time. *It's all at your fingertips via desktop, tablet or mobile.*
