SWS is a very different kind of waste company.

As well as offering a bin cleaning service for all commercial waste bins, we are also in the business of management. We are therefore in the position to offer impartial advice on the most suitable and cost-effective waste and recycling solutions.

We recognise that our customers have different needs and we pride ourselves in offering individual and sustainable waste management solutions. These solutions are always tailored to your requirements.

Fast, flexible & reliable service

Friendly & first-class customer service

Professional, safe & compliant with current legislation

All bin sizes catered for
